ASHTON WOODS.
HOME TO INSPIRATION.

WELCOME TO MORNINGSTAR

Tucked behind a shady bend, just past the lake, sits a quiet community waiting to be discovered. This is MorningStar, a place with a small-town feel that's just minutes from the bustle and culture of a city. Here, residents can relax by the fire pit in the lounge area, or enjoy a bike ride with the kids along one of the many trails. Challenge the neighbors to a round of disc golf on the six-hole course, or spread out on the Stargazer lawn with a picnic while the live music plays. Just a short drive away, the city of Austin buzzes with excitement. Spend the afternoon perusing the shops at the Domain, or taking in all the vibrant street art.

Here at MorningStar, you can personalize an exceptionally designed home with details that are uniquely you. Make every room your own with personal touches such as elegant hardwood flooring in the living and dining areas or custom tile in the owner's suite bath. Brighten your kitchen with modern pendant fixtures and an accent such as a one-of-a-kind mosaic backsplash. Together with the experts at The Studio by Ashton Woods, you can create a home that's a true reflection of your style and passions. Whether inspired by the stars in the Texas sky or the diverse culture of Austin, at MorningStar, you'll love the possibilities.
